Subject: C2PC Application FCC ID: OQ7-IHN  
731 Confirmation Number: EA264247  
Correspondence Reference Number: 42793

Dear Application Examiner:

Per KDB 178919 (Permissive Change Policies - Software Changes section) software additions, including the addition of the DFS bands, are only made by ProSoft at their facilities. There is no provision for third parties, including professional installers, to change software or enable additional features or channels.

Best regards,

Frank Hardy
