Subject: FAA Solicitation DTFA01-99-R-03655

Reference: (a) LMATM Ltr FAA-AP-99-1098 dated 5 Nov 99

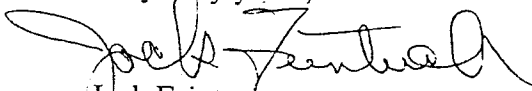

Dear Mr. Asai:

Per Reference (a), Lockheed Martin Air Traffic Management (LMATM) has submitted an application for FCC approval of its Normac 7000 Instrument Landing System. LMATM intends to pursue FAR Part 171 type acceptance and sale to the FAA, as well as non-Federal acquisitions. In accordance with 47CFR87.147, LMATM is pleased to inform you of our application and that the subject equipment is intended to operate on frequencies allocated to the FAA. The specific frequency ranges are as follows:

74.8 – 75.2 MHZ  
108 – 112 MHZ  
328.6 – 335.4 MHZ

Your efforts are sincerely appreciated and should you have any questions, please contact Mr. Joseph Allan on (301) 640-2436 or the undersigned at (301) 640-3888.

Very truly yours,

Jack Feintuch
