Dear Madam / Sir

In accordance with the 0.459 CFR47 FCC Rules, Plessey Asia Pacific Pty Ltd requests confidentiality for the Block Diagram, Schematics and Circuit Description of the attached test reports in relation to the EasyReach product type number 90931.

These documents contain confidential and detailed system and equipment description and related information about the product, which is proprietary, confidential, and a custom design and otherwise, shall not be released to the public or third parties and are provided to the FCC on a Commercial In Confidence basis. Since this design is the basis from which future technological products will evolve, the disclosure of the information in these documents to third parties may cause damage and loss to Plessey Asia Pacific Pty Ltd for which damages done would not be an adequate remedy.

Sincerely

Joe Wilkie  
Executive Director & Group General Manager.
