Subject: **FCC Class II Permission Change Request for FCC ID: OU5MULW01**

Dear Sir/Madam,

This is to request a Class II Permission Change Request for FCC ID: OU5MULW01, originally granted on 2024/10/30.

The Major change filed under this application are,

1. The subject approved module is being used in a specific host (Patient monitor; Model: Carescape ONE, hardware version 2).
2. SAR tests were performed to verify RF compliance.
3. The antennas were installed inside the host platform enclosure, the physical restraints introduced by the host platform should have resulted in equal or lower level of radiated emission. Therefore, additional Radiated emission testing is not necessary.
4. The software security remains unchanged from the original application.

If you have any questions regarding this application, please free to contact me.

Yours Sincerely,

Signature

Contact name: Matthew R Pekarske
