

FCC ID Label and Statements

This shows the FCC ID as it will be applied to the back of the Tracker DTS.

A picture of the imprint as shown on the unit is shown in a separate document attachment.

FCC ID: OUNDTS1

Note:

The statements below will be added to the last page in the manual and is shown along with the manual document attachment.

Statements in Manual:

<p>Rescue Technology, Inc.</p> <p>Model No.: Tracker DTS</p> <p>FCC ID: OUNDTS1</p> <p><u>This device complies with part 15 of the FCC Rules.</u></p> <p>Operation is subject to the following two conditions:</p> <p class="list-item-l1">(1) This device may not cause harmful interference, and</p> <p class="list-item-l1">(2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this device.</p> <p>Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: —Reorient or relocate the receiving antenna. —Increase the separation between the equipment and receiver. —Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. —Consult the dealer or an experienced radio/TV technician for help.</p> <p><u>User's Manual</u></p>
