Long-term confidentiality:

The documents indicated as long-term confidential contain detailed system and equipment description and related information about the product which FOCAL JMLab considers to be proprietary, confidential and a custom design and the information is not publicly available.

Since the design is a basis from which future technological products will evolve, FOCAL JMLab considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Short-term confidentiality (if applicable):

FOCAL JMLab requests the exhibits selected above as short-term confidential to be withheld from public view for the period as indicated above.

When the device is marketed, FOCAL JMLab will inform the TCB to release the short-term confidentiality information withheld on the FCC equipment authorization website.

Sincerely,
