

Radio Modules Locations

Complete PCB assembly onto Heatsink:

- 1) Bluetooth & Zigbee Module (Primary **ONLY**)
- 2) S1955i shield which exposes the S1955i streaming module once removed (Primary **ONLY**)
- 3) UWB RF module (see next page for location) (Primary **AND** Secondary) (See next page)

Model + All Accessories

Contains the following:

- 1x Wired Backup Link Cable.
- 1x Remote Control
- A set of carpet spikes
- 1x User Manual
- 1x Primary DIVA MEZZA UTOPIA
- 1x Secondary DIVA MEZZA UTOPIA
