

Declaration for SIM345

Dear customer,
Thank you very much for choosing wireless modules of SIMCom.

We:
Shanghai SIMCom Wireless Solutions Ltd.

Of
SIM Technology building
No.633, Jinzhong Road
Changning District
Shanghai, China
200335

Hereby we confirm to correct the spelling mismatch for our product SIM345 between the FCC certification (FCC Identifier: UDV0606020080117, Date of Grant: 02/15/2008) and the printed label on the modem (FCC ID: UDV-0606020080117) for future production lots.

The new label will then show the FCC ID: UDV0606020080117, according to the certification document.
