

Federal Communications Commission
7435 Oakland Mills Road
Columbia, Maryland 21046

Feb, 18th, 2008

Gentlemen:

This is a letter to testify that Iteris, Inc. is in the business of making electronic equipment for traffic management, which is a highly professional field and requires special skill and training in this industry. We market internationally on trade journals and professional magazine such as ITS International, Traffic Technology International, IMSA Journal and ITE Journal. Our wireless cameras listed as below:

Model: RZ4CW	P/N: 493446001
Model: RZ4MW	P/N: 493448001

Will be professionally installed at intersection of the road overlooking the traffic flow. We attest to the above statement and if there is any question, please feel free to call me at 949-270-9626.

Regards,
