Re: FCC ID: OW3HT-3

Applicant: Nokia GmbH

**REQUEST FOR PERMISSIVE CHANGE CLASS II:**

Hereby we request pursuant to 47CFR 2.1043, a permissive change class II for, FCC ID OW3HT-3, please see attached documents.

**Description of change:**

New mechanical housing and design.

1K8.051.730.A is a variant of HT-3 with changed housing for retrofit use inside VW partner network.

Changes from 1k8.035.730.A /HW007 to 1k8.051.730.A/ HW007 have been made to the following circuits:

PWB from HT-3 (1K8.035.730.A) will be assembled to size reduced plastic housing.

Shielding will be the same as of a little hole in the center for mounting purpose. Plastic material of the new housing is the same as 1k8.035.730.A.

**Conclusion from internal review:**

No testing needed

Sincerely,

Kare Oksanen  
Product Certification Officer  
Nokia GmbH Ulm
