

# Validity of Test Results for Integrated Modules

## Manufacturer/Issuer:

Geoforce Inc.  
5830 Granite Parkway, Suite 1200 Plano, TX 75024

## Host Products:

This declaration is issued under the sole responsibility of the manufacturer for:

Product Brand: "Geoforce GT2"  
Product Marketing Names: GT2c, GT2s, GT2h  
Product Description: GNSS Enabled Logistics Modem

## Declaration:

Geoforce hereby declares that the test results from conducted tests applied to the radio modules noted below accurately represent the test results under the new conditions when the identified radio modules are integrated in the Geoforce host equipment. By integration of the said radio modules into the identified host equipment no changes were made to them or by external adaptation circuitry that impacts the validity of the results of the original module's test reports; hence conducted signal measurements in the above listed reports also apply to product/models listed above.
