Re: FCCID: OWDTR-0031-E

Dear Sir or Madam:

This is a FCC Part 90 and Part 22 Original Equipment application for the M/A-COM VHF MASTRIII Base Station. It operates between 150 MHz and 174 MHz. The FCCID of this equipment is OWDTR-0031-E.

Please call me or write if you have any questions or comments.

Regards,

Denis Lalonde
