M/A-COM seeks application approval for an original Grant on the P5400 VHF (150.8 – 173.4 MHz) portable radio. Application is for Part 90 frequencies only.

Exhibits include photographs, schematics, parts list, test reports (EMC and SAR), block diagrams, factory calibration procedure, internal and external photos and an Operator's manual.

Confidentiality letter and Rhein Tech Laboratories, Inc. agent authorization letter to act on M/A-COM's behalf for this original submittal, have been provided.

Thank you for your kind consideration and timely review for this new product entry to the M/A-COM radio product family.

Sincerely,

A handwritten signature in black ink that reads "Daryl S. Popowitch". The signature is fluid and cursive, with "Daryl" on the first line and "S. Popowitch" on the second line.
