

Engineering and Testing for EMC and Safety Compliance

March 1, 2010

American Telecommunications Certification Body, Inc.
6731 Whittier Avenue
Suite C110
McLean, VA 22101

Subject: FCC ID: OWDTR-0046-E

To whom it may concern:

This Class II permissive change application is being filed in order to have the following grant note added to the FCC grant issued October 1, 2007:

The power is continuously variable from 0.5W to 4.0W.

This statement is fully supported by the power output test data in section 4 of the test report submitted with the application.

At the same time, due to the change in company name, within the grant notes, please change "M/A-COM, Inc." to "Harris Corporation".

Please advise if there are any questions. Thank you for your consideration.

A handwritten signature in black ink that reads "Kathy Grzovic".
