Subject: Class 2 Permissive Change
FCC: OWDTR-0056-E
IC: 3636B-0056

To Whom It May Concern:

Harris seeks application approval for Class 2 Permissive Change for FCC Grant and IC Certificate on the M7300 110W VHF Mobile Radio with regard to capacitor value changes implemented to improve yield.

The RF Processor Schematic Diagram, the corresponding Parts List and the RF Processor Board Internal Picture are included as exhibits, along with the Confidentiality Request and Agent Authorization for Rheintech Labs to act on Harris Corporation's behalf. There are no changes to the operational description, block diagrams, tune-up procedure or external photos. Conducted power remains the same as the original Grant.

Thank you for your kind consideration and timely review of this new product.

Sincerely,
