Subject: FCC ID: OWDTR-0060-E

Harris seeks application approval for an original Grant on the M7300 700/800 MHz mobile radio.

Test reports (EMC and MPE), along with Operator and Installation manuals, parts lists, schematics, block diagrams, tune up procedure, and operational descriptions are included as exhibits.

The product variants of 800 MHz only mobile (M5300), and the desktop control station (CS7000) are part of this Grant application. Desktop control stations utilize antennas picked at the time of site licensing, with co-location and MPE being assessed as part of the site licensing process.

Thank you for your kind consideration and timely review of this product.

Sincerely,

A handwritten signature in black ink that reads "Daryl S. Popowitch". The signature is fluid and cursive, with "Daryl" and "Popowitch" being the most prominent parts.

Daryl Popowitch
Regulatory Manager
