Harris seeks application approval for a Class 2 Permissive Change on the M7300 700/800 MHz mobile radio, as it applies to a motorcycle application of the mobile radio product.

MPE test report, along with updated Operator and Installation manuals are included as exhibits, which specify the antenna separation distance.

Thank you for your kind consideration and timely review of this product enhancement.

Sincerely,

A handwritten signature in black ink that reads "Daryl G. Popowitch". The signature is written in a cursive, flowing style.
