**Subject:** Confidentiality Request for OWDTR-0133-E  
Original Grant

Harris wishes to submit this confidentiality letter for the record on FCC ID: OWDTR-0133-E ; XL-200P. Harris is requesting that the following be kept long-term confidential, and not be made available for routine public inspection:

- Block Diagrams
- Parts Lists
- Schematics
- Tune Up / Alignment Procedure
- Technical Operational Description

Harris is requesting that the following be kept short-term confidential for 180 days, and not be made available for routine public inspection:

- External Photos
- Internal Photos
- Users Manuals
- Test Setup Photos

This product will be sold to Federal and Government Department of Defense (DoD) customers. Harris feels that this information is considered sensitive and creates a vulnerability to U.S. and friendly forces deploying this product in military applications. Public display of this information does not prohibit hostile forces from attaining this information readily and using it in a manner to jeopardize lives. The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of this material may be harmful to the applicant and provide unjustified benefits to its competitors.

This request is made under the provision of 47 CFR Section 0.457 and Section 0.459 of the Commission's rules, and section 552(b)(4) of the Freedom of Information Act. These sections authorize a withholding from public inspection material which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

**HARRIS CORPORATION**
