Request for Confidentiality

Company name: Itron Networked Solutions, Inc.
FCC ID: OWS-NIC531-06
FCC Part 15 Certification

Gentlemen,

Pursuant to 47 CFR 0.457(d)(1)(ii) and 0.459 **Itron Networked Solutions, Inc** hereby requests permanent confidentiality of the following documents for the subject application:

Exhibit Type	File Name	Description
Block Diagram	NIC 531-06 block diagram	Block Diagram
Operational Description	Functional Description	Operational Description
Schematics	Schematic	Schematics
Parts / BOM	BOM	BOM
User Manual	NIC 531-06 Meter Labeling and Product Requirements for Centron II	Operational Description

These documents contain detailed system, equipment description, and related information about the product which **Itron Networked Solutions, Inc** considers proprietary, confidential, and a custom design not otherwise available to the general public.

NIC 531-0601 is only approved to be integrated within Itron products. The module is not for sale and the user manual integration instructions are internal confidential manufacturing documents

Since the design is a basis from which future products will evolve, **Itron Networked Solutions, Inc** considers that this information would be of significant benefit to its competitors and that disclosure would give competitors an unfair advantage in the marketplace.

Sincerely,

Name:	Asim Tirmizi
Company:	Itron Networked Solutions, Inc.
Title:	Senior Manager HW Engineering
