Application Examiner

Re: Request for confidentiality

Applicant: Gryphex LLC

FCC ID: OWX-L1000

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by Gryphex LLC to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Tune up procedure
- Parts list
- Internal photos

-- This is a security devices which can be compromised if a user has knowledge of the internal workings of the device. By publishing internal photos a user with knowledge of electronics would have the ability to disable the tracking and communication functions on the device.

Rationale for request for confidentiality:

Gryphex has invested considerable time and materials in research and development to produce the referenced product.

Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

**Susan Neenan**  
Director of Finance and Operations
