

Certificate of Conformity

issued by Curtis-Straus

Company: Polhemus, Inc.
Product Tested: StarTrak
Testing Date: January 11 and 12, 2000
Report No.: A0283-1

A sample of the product as configured in the accompanying test report has been found to comply with the following standards:

EMC Emissions (Radiated Emissions Only):

- EN 55022:1994/A1:1995/A2:1997 Class A ITE radiated emissions requirements (EU)
- FCC 47 CFR Part 15 Class A radiated emissions requirements (USA)
- VCCI Class A ITE radiated emissions requirements (Japan)
- AS/NZS 3548:1995/CISPR 22 Class A ITE radiated emissions requirements (Australia)

Registration numbers for all open area test sites can be found in the *Test Equipment Used* Section starting on page 14.

Attested to by the hands and seals:
