Re.: Statement of the change in identification

New FCC ID: OXM000008

To Whom It May Concern:

Targus Group International, Inc. is marketing under our own New FCC ID, which is multiple listing against SYSGRATION LTD. /Original FCC ID: HQXAGP-Y6, granted on Dec. 18, 2007. The equipment marketed differs from the original one in model number. Their circuit and performance are the same, so the original- test results continue to be representative of and applicable to the equipment with the new FCC ID.

Sincerely yours,

Henry Leung, Senior Engineer
