Dear Reviewing FCC Engineer:

When form 731 was filled out electronically on April 25, 2000, a mistake was made in the Guidance Control Systems Ltd. FCC ID number for the Offender Transmitter of their Offender Monitoring System. **The Correct FCC ID number is FCC ID OY3PID23 as reflected in all supporting documentation**, not OY3HHU23 as stated on Electronic Filing of Form 731 and Form 159. Unfortunately we are unable to make this correction ourselves. **Can you please correct this error before you begin your review?**

Please advise if you have any questions or if this will change the Form 731 Confirmation Number. The current Form 731 Confirmation Number is EA97438 and the Remittance ID Number for form 159 is 51383 and the Authorization Number is 025664 (paid by Credit Card electronically). We apologize for this mistake and appreciate your effort to correct this problem. Please let us know when this error has been corrected.

Thank You,
