Mr. Frank Coperich
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Dear Mr. Coperich:

We have reviewed the Federal Communication Commission (FCC) application from Thomson-CSF Detexis and have no objection to their mobile-satellite communications services via the JETSAT satellite receiver-transmitter, FCC ID: OYAJETSAT.

If you require any additional information, please contact Mr. Mike Biggs, Spectrum Planning and International Division, at (202) 267-8241.

Sincerely,

Donald K. Willis
Manager for Spectrum Planning
and International Division
