Request for Confidentiality

FEDERAL COMMUNICATIONS COMMISSION
7435 Oakland Mills Road
Columbia, MD 21046

Subject: Request for Confidentiality
FCC ID: OYOPWTH

To Whom It May Concern:

In accordance with § 0.459 of CFR 47, Alcatel requests confidentiality for the following items:

3. Block Diagram (Exhibit 4)
4. Schematic Diagrams (Exhibit 5)

These items contain detailed system and equipment description and related information about the product which Alcatel considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, Alcatel also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
