AGENCY AGREEMENT

Federal Communications Commission

Date: March 24, 2000

P.O. Box 429
Columbia, MD 21045

Gentlemen:

I hereby appoint United States Technologies to act as our agent in the preparation of an application for equipment authorization of **USTC-TED-0001** under Part 95 of the FCC Rules and Regulations. I certify that **Section 4 and 6** properly describe the device or system for which authorization is sought, that the information described in the User's Manual will be provided with each item manufactured or distributed by the applicant, and that the labels described by

Section 3 _____ will be affixed to each item manufactured or distributed by the applicant. I further certify that appropriate arrangements have been made to assure that production units of this equipment bearing the name and FCC IDENTIFIER listed in this application will continue to comply with the Commission's requirements.

I further certify by signature below that no party (per 47 CFR 1.2002(b)) to the application is subject to a denial of Federal benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

This appointment also includes the authority to complete FCC Form 731 on our behalf and sign the application as an authorized agent.

Name: Donald M. Clarke

Signature: 

Title: Senior Vice President

CONFIDENTIALITY REQUEST

Federal Communications Commission
Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, MD 21046

Date:

Gentlemen:

U.S. Telemetry Corporation respectfully requests confidentiality of certain materials provided with the submission of the USTC-TED-001 under FCC ID OZ9USTC-TED-0001 in accordance with FCC Regulations 0.459. The confidentiality request applies to the block diagrams, schematics, frequencies used, and theory of operations contained in Sections 4 and 6. The USTC-TED-001 has been developed at considerable effort and expense by U.S. Telemetry Corporation. These items are considered as Trade Secrets and therefore public access to the proprietary material could possible result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Donald M. Clarke', written over a horizontal line.
