Dear Ms. Helen,

Thank you for your cooperation and kindness.

Ragarding the AN06T6012, we we would like to inform you for your comment as follows,

Question #1: The device appearance shown in external photos exhibit is different from that in the manual. For example, antenna port is in different location. Please explain.

---> [The manual was incorrected, so please refer to attached revised manual.](#)

If you have any question or need more information, please feel free to contact us.

Thank you!

Best Regards,

S. C. Hong / Project Engineer
