

Test setup for radiated emission pre-test 30 MHz - 1 GHz and final test 1 GHz to 5 GHz  
(semi anechoic room)

EUT position: horizontal - rear side on table

Test setup for radiated emission pre-test 30 MHz - 1 GHz and final test 1 GHz to 5 GHz  
(semi anechoic room)

EUT position: horizontal - right side on table

Test setup for radiated emission pre-test 30 MHz - 1 GHz and final test 1 GHz to 5 GHz  
(semi anechoic room)

EUT position: vertical - upright

Test setup for radiated emission final test 30 MHz - 1 GHz  
(open area test site)

Test setup for radiated emission final test 30 MHz - 1 GHz  
(open area test site)

Test setup for radiated emission final test 30 MHz - 1 GHz  
(open area test site)

Test setup for radiated emission final test 30 MHz - 1 GHz  
(open area test site)
