

02/24/02

Mr. Johann Roidt
Senton GmbH

In reference to FCC ID: P3OM400

Mr.Roidt

Upon completion of review of the application for FCC ID: P3OM400, there are several issues that must be addressed before the application can be granted by ATCB.

Please address each issue below.

- 1) Please provide the circuit description and statement in compliance with 15.231 (a)(1) requiring manual transmitters to cease operation after 5 seconds.

Regards

David A. Case NCE
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination.

Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
