Product Name: Spotcell 612 HPCU

Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commissions rules, we hereby request that the following documents be held confidential:

- HPCU Schematics 230-00015-01 (00B)
 - HPCU Bill of Materials 200-00015-01 (A01)
 - HPCU Block Diagram 761-00000-01_Rev_01-block_diagram
1. The above documents are classified by Spotwave Wireless as company confidential data and are not in the public domain. Disclosure of the listed information in whole or in part would compromise the IP protection strategy for Spotwave wireless.
 2. The above documents are stored in a secure development laboratory with restricted access. Only employees, sub-contractors and consultants who have signed a non-disclosure agreement with Spotwave Wireless are allowed or have had access to these documents, and only on a need-to-know basis. This information has never been shared with the public or indeed potential customers of Spotwave wireless.
 3. Spotwave Wireless maintains these documents at a company confidential classification because they contain the detailed information on the implementation of the company's Intellectual Property. Specifically design information relating to custom components that is otherwise unavailable could be obtained using this data. The dissemination of this data would therefore severely damage the company's competitive advantage in the wireless market.
 4. This market is a highly competitive one, with many other companies offering coverage enhancement products that do not currently embody characteristics or features that are enabled by the Spotwave Wireless IP.
 5. Spotwave Wireless requests that this data is maintained as confidential for a period of 5 years, as this is compatible with the anticipated life-time of the product, and will therefore be sufficient to prevent competitive harm to the company.
