Dear Chris Harvey,

We always appreciate your kind cooperations on our applications.

>> 1. The device seems very much like a portable handset (but maybe no operation at the ear), but is supplied with a headset and belt-clip. I can not find SAR compliance or any other RF Exposure exhibits. Please address the required RF Exposure requirements for this device. Please note that SAR setup photos exhibit from HCT report HCTA1101FS01 dated January 3, 2011 has been submitted. No photos of the belt-clip used have been included.

=> Please Check attached file. file name is SOCT570B_SAR_Report.pdf.
SOCT570B model does not apply to the belt-clip.

>> 2. The FCC ID Label seems to be using the FCC logo from the Declaration of Conformity for the characters FCC. In order to prevent confusion, please use the same font used in the ID and add the characters 'FCC' immediately in front of the characters 'ID: P47SOCT5B'.

=> Please Check attached file. file name is SOCT570B_LABEL_rev.pdf

>> 3. The Users Manual does not contain the required statements from FCC Rule Sections 15.19, 15.21 and 15.105 for the FM Transmitter and Computer Peripheral Digital Device portions of the device. Please update the manual.

=> Please Check attached file. file name is SOCT570B_User Manual_rev.pdf

If you any questions or comments on this application, please do not hesitate to contact us.

Hope to hear from you soon.

With best regards,

Hee Yeon KIM / RF Team

>> Dear SJ Lee,
>>
>> You are listed as the Technical Contact for the above referenced TCB application. The following items need to be resolved before the review can be continued:
>>
>> 1. The device seems very much like a portable handset (but maybe no operation at the ear), but is supplied with a headset and belt-clip. I can not find SAR compliance or any other RF Exposure exhibits. Please address the required RF Exposure requirements for this device. Please note that SAR setup photos exhibit from HCT report HCTA1101FS01 dated January 3, 2011 has been submitted. No photos of the belt-clip used have been included.
>>
>> 2. The FCC ID Label seems to be using the FCC logo from the Declaration of Conformity for the characters FCC. In order to prevent confusion, please use the same font used in the ID and add the characters 'FCC' immediately in front of the characters 'ID: P47SOCT5B'.
>>
>> 3. The Users Manual does not contain the required statements from FCC Rule Sections 15.19, 15.21 and 15.105 for the FM Transmitter and Computer Peripheral Digital Device portions of the device. Please update the manual.
>>
>> The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender. Revised documentation should not be emailed, but instead should be submitted through "Add Attachment" function at the UL-CCS website. Please have your Assessment Number and FCC ID/IC Certification number handy. You may use the following link: <https://cert.ccsemc.com/filing/>
