

To Whom It May Concern:

We, Flaircomm Microelectronics, Inc. declare

Our company's products FLC-BTM020IQ2B and FLC-BTM020IQ2D

The deference between two modules is as follow:

1. the module of BTM020IQ2B is without antenna.

the host using BTM020IQ2B need to trace antenna designed for it.

2. the module of BTM020IQ2D is with microstrip antenna.

Both model have the same construction, circuit and rating parameter.

Thank you for your attention to this matter.

Yours Sincerely,
