It is requested that the following information is to be held confidential on behalf of  
Danger, Inc.

FCC Rules Part 0.459 refers.

|           |                                                                              |
|-----------|------------------------------------------------------------------------------|
| Exhibit 1 | 1 tune-up description file,                                                  |
| Exhibit 8 | 2 circuit diagram file, 1 bill of material file, 2 assembly drawing<br>files |

Schematics, consisting of circuit diagram, bill of materials, and assembly drawing files: These are considered to be trade secrets of Danger, Inc. Danger, Inc. has invested considerable time and money in the development of these schematics. It is important that any competitor not receive unfair advantage in the market place by getting access to these documents.

Yours sincerely,

Markus Wallgren  
Sr. Director, Hardware Development
