Dear Andrew,

Thank you for your e-mail confirming successful FCC pre-compliance testing of our RFI-9256 radio modems at your laboratory.

This letter formally authorizes you to proceed with the submission for FCC approval and to act on behalf of RF Innovations on this matter.

We would like to retain confidentiality of the provided schematics are thus agree paying the additional fee of \$USD 145.00.

Please find attached the additional RFI-9256 package for FCC approval, as requested:

- Formal authorization to act on behalf of RF Innovations Pty Ltd for submission of the RFI-9256 to FCC approval (this letter);
- RFI-9256 Schematics in Adobe Acrobat (PDF) and Microsoft Word file formats.

Kind regards,

Carlos M. Tomaz
Engineering Manager, RF Innovations.
