This device is unique in the market place, as such this information is commertialy very sensitive. The disclosure of this information would allow our competitors to gain an advantage in the market place. The product is manufactured in house therefore this information is retained in house in a secure storage area and is not available to the public.

*("Each such request shall contain a statement of the reasons for withholding the materials from inspection and of the facts upon which those records are based, including:  
Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged;  
Explanation of how disclosure of the information could result in substantial competitive harm;  
Identification of any measures taken by the submitting party to prevent unauthorized disclosure;  
Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties;  
Justification of the period during which the submitting party asserts that material should not be available for public disclosure; and  
Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted.")*

Yours sincerely
