

A black and red Alien 4G LTE router. The front panel features a status display with labels: Power, Signal, LAN, ANT 0, ANT 1, ANT 2, ANT 3, CPU, RAM, SWAP, and PAUSE. Below the display is the Alien logo. On the right side, there are four SMA connectors labeled ANTENNA 0, ANTENNA 1, ANTENNA 2, and ANTENNA 3. On the left side, there is an IO Port and a LAN port. The device has a red heat sink on the bottom.

External Antenna With Cable Assembly
