Re: FCC ID P6T1902, 731 Confirmation Number EA134202

Re: Correspondence Reference number: 26277

Re: RF Exposure Information

Response:

We have sent document P6T1902RE which addresses the RF exposure information requirement. This has been sent concurrently with this letter. We hope this addresses the requirement.

If any further detailed information is required, P. G. Electronics will provide this information as soon as possible.

Sincerely.

Gerry Graham
