Re: Rule Part for Application

Response:

Thank you for your observation. P. G. Electronics had intended to obtain a grant for this device under Part 90. Unfortunately, Part 22 was listed on the Form 731 Application in error. P. G. Electronics apologizes for this. Please consider the application to be made under Part 90.

If any further detailed information is required, P. G. Electronics will provide this information as soon as possible.

Sincerely.

Gerry Graham
