MANUFACTURER'S DECLARATION

Part 27 subpart L COMPLIANCE

Product

FCCID: P7QRM-267V GSM850/900/1800/1900 Phone.

Declaration

I hereby declare that this product is designed to operate only on the bands supported by locally installed GSM base station equipment. The GSM system has the operating mode whereby the locally installed infrastructure equipment makes the necessary security and verification checks necessary, before mobile stations are allocated permitted transmit channels.

In the USA, where Part 27, sub part L applies, the absence of any GSM base stations so operating, means that this product will not transmit on Part 27, sub part L frequencies"
