RE: Request to supersede test report for FCC ID: P7RFGIMS01.

To Whom It May Concern:

Regarding FCC ID: P7RFGIMS01, we are requesting to supersede the original Test Report due to a clerical error. There were several projects with the same manufacturer and the test data was misfiled with another model. We found that the test data in the Radiated Emissions section was the wrong one and this request is to update it with the proper data.

Thank you very much.

Sincerely,
