Subject: Request for withholding from public disclosure of Electronic Solutions, Inc. documents.

Gentlemen:

As appointed agent for Electronic Solutions, Inc., 11811 Upham Street, Unit #2, Broomfield, Colorado 80020-2710 we would like to request that the Block Diagrams, Schematics, and Expository Statement submitted with the application for certification be withheld from public disclosure as per Section 0.459 of the FCC Rules. This request is made under the provisions of Section 0.457 (d) of the FCC Rules and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize a withholding from public inspection materials, which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any questions, please do not hesitate to contact us at (714) 579-0500.

Regards,

Kyle Fujimoto
Test Engineer
