Package Content

Your Earpiece comes with the following items:

Wireless Station

Earpiece

Bridge

Ear-hook

NOTE:

- Normally, you answer a call by pressing the On/Off-button on your earpiece and then the "Answer" key on your mobile phone.
- If you have activated the "Auto Answer" function on your mobile phone, you only have to press the On/Off-button on your earpiece within 3 rings to answer a call.
- For more information on how to activate the "Auto Answer" function, please refer to your mobile phone user's manual.
- Please use Nokia standard travel charger to charge the wireless earpiece fully before using it for the first time.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.
