Compliance Certification Services
47173 Benicia Street
Fremont, CA 94538
Attn: Certification Department

As requested, here are the differences between the following products.
Adguard, Adguard XL, Door Guard and Lane Guard

1As mentioned, AdGuard, AdGuard XL, Door Guard and Lane Guard all use the same circuit boards. The only difference is how they physically look..

I trust this satisfactorily answers your questions. If not, please feel free to call me directly.

Sincerely,
Mac Copas
CCTV Sales Manager
