PROJECT #2

Product Code	Description
WG WFDG	Door Guard
WG WFFG	Floor Guard
WG WFCB	Control Box

Note: The same WG WFCB Control Box is used for the Door Guard and Floor Guard. The Control Box includes the WG SPS-24 (which was previously certified for UL and CE) and the "Controller" which includes the exact same Control PCB used for the products listed under Project #1.

WG WFFG – Floor Guard Antenna

WG WFDG – Door Guard

Controller PCB Inside

WG SPS-24
Power Supply
