

NOTES:
Per FCC Rules:

The label shall not be a stick-on paper label.

The label shall be permanently affixed to the product and shall be readily visible to the purchaser at the time of purchase.

"Permanently affixed" means that the label is etched, engraved, stamped, silk-screened, indelibly printed, or otherwise permanently marked on a permanently attached part of the equipment or on a nameplate of metal, plastic, or other material fastened to the equipment by welding, riveting, or a permanent adhesive.

The label must be designed to last the expected lifetime of the equipment in the environment in which the equipment may be operated and must not be readily detachable.

XXX is the Grantee Code
 YYY is the Equipment Product Code

Zzzzzz is the Certification Number
 as assigned by Industry Canada.

- Notes:**
1. Artwork shown represents size and style of finished product only.
 2. Artwork does not necessarily reflect manufacturing process and/or tooling requirements.
 3. Refer to product drawing for location on part.
