

TPN-Q165 Label & Location

HP Spectre x2 Detachable PC INPUT:15V  3A RMN: TPN-Q165 CAN ICES-3(B)/NMB-3(B) Contains Intel Model: 7265D2W IC: 1000M-7265D2 CNC: C-13902
Model: HP 12-a001xx Product: XXXXXX#XXX Serial: XXXXXXXXXX Warranty: 1y1y0y Made in China Contains FCC ID: PD97265D2 SCT: RCPIN7214-1576

IC Label & Location for Intel Models 7265NGW and 7265NGW AN

- RSS-GEN 5.2 – The label text shall be legible without the use of magnification and if too small to meet this condition the label information may be included in the user manual.
- The 7265NGW and 7265NGW AN meet are considered to meet this criteria since the module size is 12mm x 16mm and 4pt font is the largest that can be used for module labeling which requires magnification for clear viewing.

Manufacturer & model number will appear on module for identification. Label will be replaced with laser etching on the metal shield for high volume manufacturing.

Modular Regulatory Certification Country Markings

A list of countries requiring regulatory markings is available. Note that the lists include only countries requiring marking but not all certified countries. To find the regulatory country marking information for your adapter, perform these steps:

1. Open this web site: <http://www.intel.com/support/wireless/wlan/>
2. Click on the link for your adapter.
3. Click **Document and Guides**.
4. Under **Regulatory Information**, click Regulatory documents for your adapter.

Regulatory ID

USA: Model 7265D2W, FCC ID: PD97265D2

Canada: Model 7265D2W & 7265D2W AN, IC: 1000M-7265D2

IC ID will be displayed in the User Guide as shown
