

IC Label & Location for Intel Models 7265D2W

- RSS-GEN 5.2 – The label text shall be legible without the use of magnification and if too small to meet this condition the label information may be included in the user manual.
- The 7265D2W meet are considered to meet this criteria since the module size is 12mm x 16mm and 4pt font is the largest that can be used for module labeling which requires magnification for clear viewing.

Modular Regulatory Certification Country Markings

A list of countries requiring regulatory markings is available. Note that the lists include only countries requiring marking but not all certified countries. To find the regulatory country marking information for your adapter, perform these steps:

1. Open this web site: <http://www.intel.com/support/wireless/wlan/>
2. Click on the link for your adapter.
3. Click Document and Guides.
4. Under **Regulatory Information**, click Regulatory documents for your adapter.

Regulatory ID

USA: Model 7265D2W, FCC ID: PD07265D2

Canada: Model 7265D2W & 7265D2W AN, IC: 1000M-7265D2

IC ID will be displayed in the User Guide as shown
