Subject: Request to Supersede Test Report for FCC ID : PD97265NGU issued 9/30/2014

To Whom It May Concern:

This letter is to request that the SAR test report (SAR.20140709) filed with the class 2 permissive change application for FCC ID: PD97265NGU be superseded with Revision A of the same test report.

The reason for the request is to remove proprietary information from the initial test report that is available to public view on the FCC website.

Thank you for assistance with this request and please contact me if there are any questions related to this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven C. Hackett", with a stylized flourish at the end.
