

Annex F. Photographs

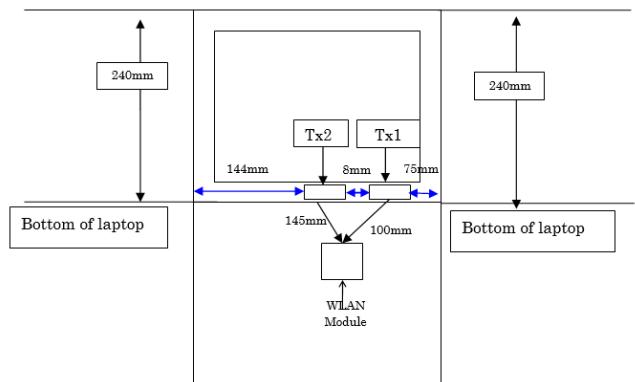

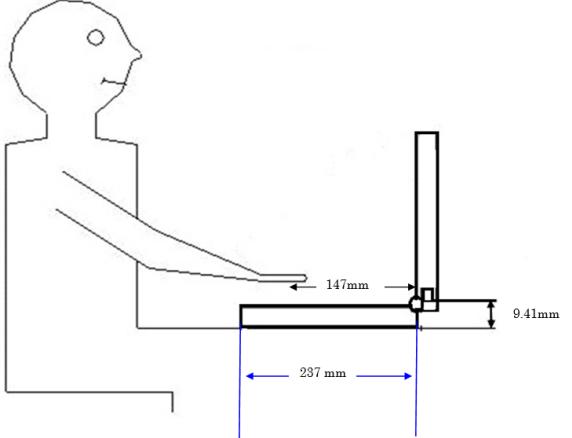

F.1 Test Sample

F.2 Test position

Laptop Mode	Laptop Mode – Side View
 A photograph showing a laptop computer in a horizontal position, mounted on a black stand. The laptop screen is facing the camera, displaying a blue and white graphical user interface. The stand is mounted on a white circular base. A black cylindrical microphone is positioned above the laptop. The background shows a laboratory setting with a blue chair and some equipment.	 A photograph showing the same setup from a side angle. The laptop is mounted on the stand, and the microphone is positioned to the right. The background shows a laboratory setting with a blue chair and some equipment.

F.3 Antenna host platform location and adjacent edge positions relative to the body
