Ref: FCC Class II Permissive change for FCC ID: PD98265NG (Granted date:
10/03/2017)

Dear Examiner,

This is to request a replacement of the RF exposure exhibit, C2PC letter and both operational description files. The model name needs to have one word removed as the description was incorrect and gives too much information about the product prior to product launch.

Please have the above mentioned files replaced for the FCC ID mentioned.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven C. Hackett", with a stylized flourish at the end.
